REMARKS

Claims 1-16, 21 and 22 are pending, with claims 1, 11 and 21 being in independent form..
Claims 17-20 were previously canceled, without prejudice or disclaimer. By this Amendment, claims 1 and 11 have been amended to correct an inconsistency introduced by the claim amendment filed with the RCE on November 21, 2006.

Prior to said November 21, 2006 claim amendment, claim 1 recited in relevant part "... a destination address and a transmission method are registered respectively for each destination and each destination address ..." Thus, a transmission method is registered respectively for each destination address. Claims 1 and 11 have been amended to correctly recite this feature.

Applicant submits that the above-listed amendments do not change the scope of the claims, but merely correct an informality therein. Accordingly, Applicant respectfully requests entry of the above-listed amendment.

The Office is hereby authorized to charge any fees that are required in connection with this amendment and to credit any overpayment to our Deposit Account No. 03-3125.

If a telephone interview could advance the prosecution of this application, the Examiner is respectfully requested to call the undersigned attorney.

Respectfully submitted,
